

HOW DO I PRINT MY TICKETS?

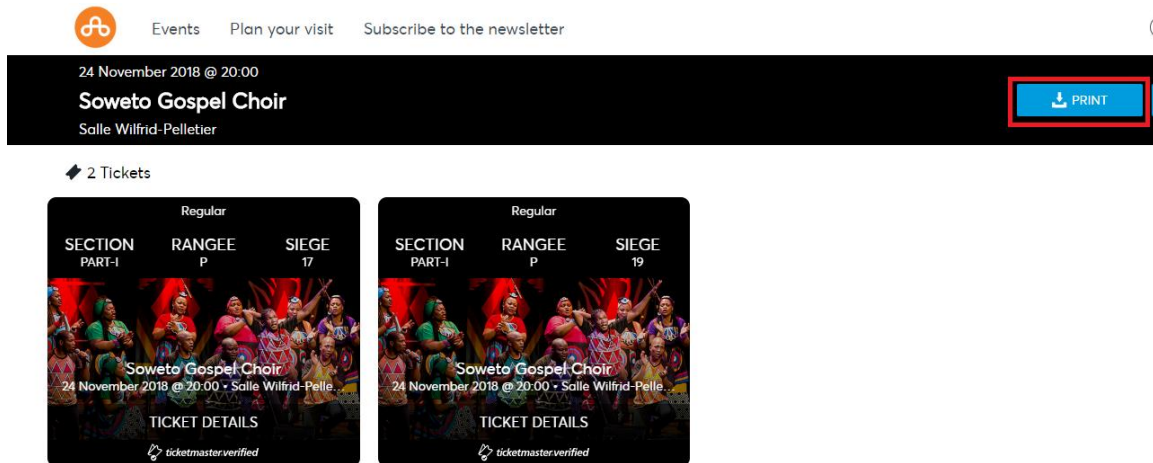

1. Click on "My tickets" in the upper right corner of our website placedesarts.com and log into your Place des Arts account.

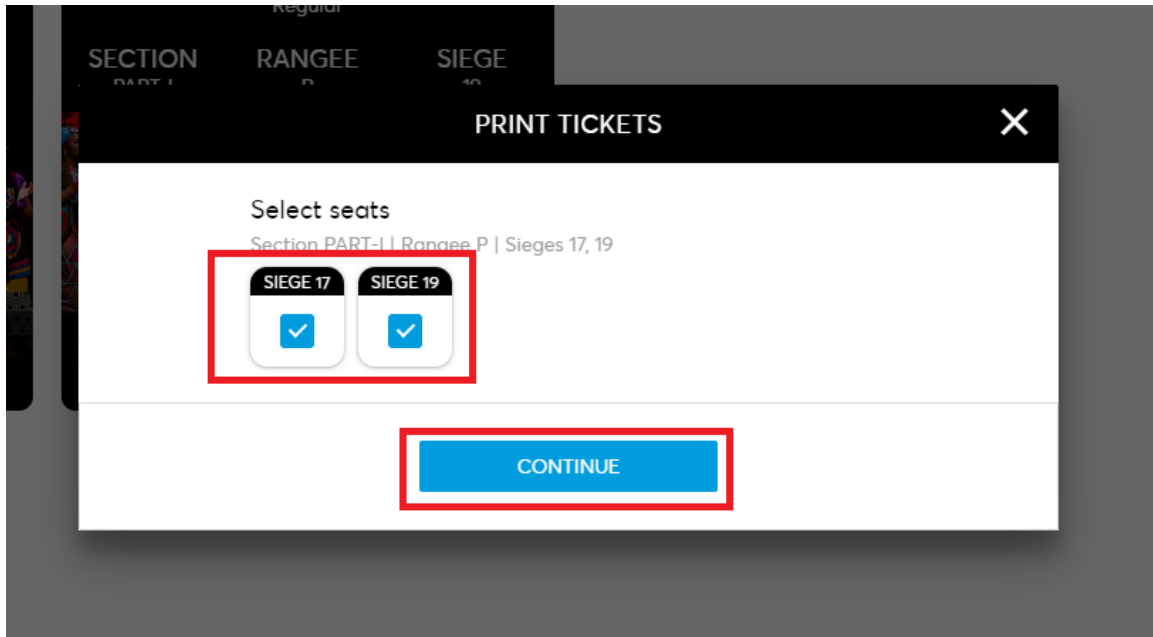

2. Select your event.

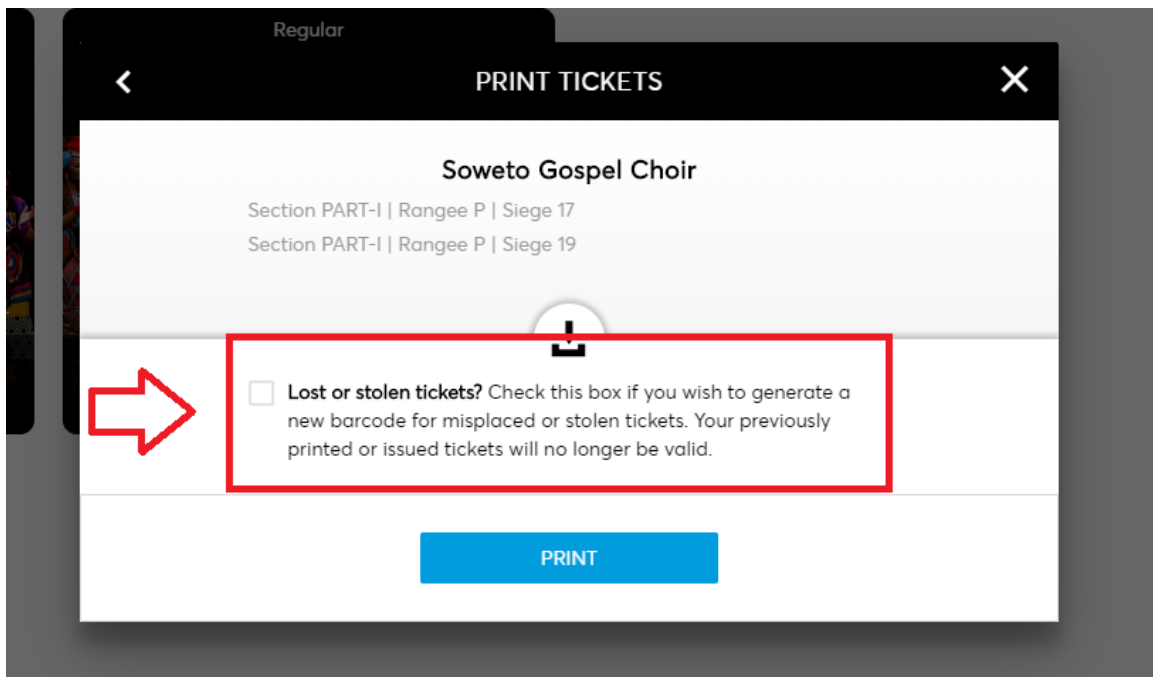

3. Click on the "Print" button in the upper right corner (not all events and seats are eligible to be printed).

4. Select seats that you wish to print and click on "Continue".

5. Make sure to read the message displayed about lost or stolen tickets
6. Click on "Print".

7. Click on "Done".
8. Print the downloaded tickets that will open as a PDF file (all you need is Adobe Acrobat Reader - free).

The downloaded tickets will be required for entry to the event. You cannot use any tickets that may have been previously issued or printed. You may also wish to print additional items associated with the event, such as parking, as part of this process.
